Bharat” at SKNAU, Jobner, Rajasthan (18-20 December 2023).

Teaching experience – 6 month teaching MJRP University Sodala Jaipur.

Professional Skill:

As a teacher, I always enjoy working with the students, help them to develop diagnostic skills and love to share the professional interactions. I like to take complicated topics and make them appear simple so that students can learn instead of being intimidated. I always like watching them grow in confidence as they make supervised diagnostic decisions.
