Note - I will take payment in range of 60k to 65 k

INSTRUMENTS HANDLED

X-ray machine (small and large animal), Dental Scalar, Portable Inhalant Anesthetic Machine, Orthopedic instruments, Eye surgical instruments,

Teaching Skills

1. Communication:
 - Clear and adaptable communication.
2. Lesson Planning:

- Structured lessons aligned with objectives.
- 3. Classroom Management:
 - Positive, inclusive environment.
- 4. Subject Expertise:
 - In-depth knowledge in the field.
- 5. Adaptability:
 - Flexible teaching methods.
- 6. Assessment and Feedback:
 - Fair assessments with constructive feedback.
- 7. Technology Integration:
 - Proficient use of educational technology.
- 8. Critical Thinking:
 - Promotes analytical skills.
- 9. Collaboration:
 - Works well with colleagues and encourages teamwork.
- 10. Mentorship:
 - Provides guidance for academic and career development.
- 11. Inclusive Practices:
 - Incorporates diverse perspectives in teaching.
- 12. Research Integration:
 - Integrates research into the curriculum.
- 13. Continuous Improvement:
 - Seeks feedback for ongoing development.
- 14. Passion for Teaching:
 - Inspires through genuine enthusiasm.

Publication: International

1. Surgical management of long bone fracture by a string of pearl plate.
